

Support the 100% Local Pledge Campaign: Help Sacramento's Small Business Community Recover

This campaign is designed to help small businesses recover from devastating closures of two months or more. Colorful yard signs are displayed outside businesses to signal to neighbors that they have re-opened for business.

The 100% Local Pledge Campaign message is designed to remind citizens that they need to support local businesses and keep purchasing dollars with local retailers, and not online.

Campaign Co-Chairs:

Mayor Darrell Steinberg and Publisher Cecily Hastings
